SimCity 4 decompilation: class catalog

Generated 2026-10-20 from notes/ledger.csv and the symbol list. Game code only (libraries and compiler thunks excluded).
1717 classes/groups, 26,880 functions, 15,322 recovered (57.0%), 11,558 remaining.

- Not started (0 recovered): 766 classes, 10,748 functions
- Partly done: 24 classes, 810 functions left
- Complete: 927 classes

1. Not written yet (766 classes, largest first)
